

HOUSE TO SELL?

A **GUARANTEED SALE** FOR YOUR CURRENT HOME

Our Guaranteed Sale service gives you the best of both worlds – ample opportunity to sell your current home yourself and peace of mind that you have a guaranteed buyer to fall back on if you need it.

Our Guaranteed Sale service allows you to market your current house on the open market and sell it when you find a suitable buyer. However, if you have not found a suitable buyer for your property 10 weeks before moving into your new Drumrossie home, you can rest assured that Drumrossies' guaranteed price (as agreed by you at the time of your reservation) will come into effect and Drumrossie will buy your current property from you in part exchange.

- The opportunity to sell your house yourself
- A guaranteed sale of your house to fall back on to give you peace of mind
- The guaranteed price of your existing house must be a minimum of 25% less than the price of your new Drumrossie home

Terms and conditions apply. Please ask our sales staff for full details.
